INTRODUCTIONS

Welcome to Dr. Jesse Fallon, Veterinarian Board Member

Dr. Fallon was appointed to the Board by Governor Justice on December 16, 2020. He is a 2008 graduate of Virginia-Maryland College of Veterinary Medicine. He became a licensed veterinarian with the WV Board of Veterinary Medicine in June 2009. Dr. Fallon is a partner at Cheat Lake Animal Hospital in Morgantown, WV where he treats all species.

Dr. Fallon is also the Director of Veterinary Medicine for the Avian Conservation Center of Appalachia and is the WV State Liaison for the Association of Avian Veterinarians. He is a frequent lecturer for WV University Departments of Animal and Nutrition Sciences and Wildlife and Fisheries, a mentor for students at the Virginia-Maryland College of Veterinary Medicine, and has published numerous peer reviewed articles and book chapters.

Welcome to Dr. Shawn Sette, Veterinarian Board Member

Dr. Sette was appointed to the Board by Governor Justice on December 16, 2020. He is a 1993 graduate of Ohio State University. He became a licensed veterinarian with the WV Board of Veterinary Medicine in June 1993. Welcome to Brandi Legg, Secretary

Brandi Legg has replaced Doreen Colbert's position as Secretary. She started as a temporary employee in January 2021. Brandi did such a good job of learning the operations of the Board, the Board has hired Brandi as a permanent employee effective May 8, 2021.

NEW DATABASE VENDOR

Because of the issues with the previous 2 database providers, the Board recently entered into a new contract with a new database provider, Thentia. This new company seems to be very sophisticated; so the Board has high expectations and hope to have all our applications and inspections online. Go live dates is expected to be January 17, 2022.

Please email Trish Holstein, patricia.a.holstein@wv.gov, should you have any suggestions on how to make the application, renewal, or inspection process flow smoother.

CAET CERTIFICATION—KINGWOOD/MORGANTOWN, WV

The CAET initial training will be held November 19—21, 2021 at the Appalachian Hotel in Kingwood, WV and the Monongalia County Canine Adoption Center in Morgantown, WV. Applications are being accepted now.

LOW INCOME INDIVIDUAL & MILITARY FAMILIES FEES WAIVER

REGISTERED VETERINARY TECHNICIAN FEES

Effective July 1, 2020, the following fees have changed for Registered Veterinary Technicians:

Reduced:

- Examination and registration fee—Reduced from \$100.00 to \$10.00
- Registration renewal fee—Reduced from \$80.00 to \$5.00

New Fees:

- Inactive registration fee \$2.00
- Reactivation of an inactive registration fee \$6.00

HEART STICKS

The Board has been informed that there are a number of certified animal euthanasia technicians (“CAET’s) using cardiac puncture (a.k.a. heart stick) when euthanizing cats. The Board’s stance is that cardiac puncture is only allowed if it is used as a “last resort” method on animals that are non-responsive. A responsive animal must be sedated prior to the use of cardiac puncture.

If the CAET is unable to access a peripheral vein, an alternative technique is intraperitoneal injection that is described in the CAET Training Manual. The Board will continue teaching this method in the annual CAET initial training program.

FACILITY OWNERSHIP CHANGE

Notification to the Board

Should a veterinary facility change ownership, the new owner shall notify the Board within 5 days of such purchase and will be subject to re-inspection. Failure to comply with notifying the Board in this time period could result in a disciplinary action.

VI. Questions for the Board

Question: Can a farrier disbud goats?

Answer: Disbudding goats is considered the practice of veterinary medicine.

Question: If an RVT called themselves a "vet nurse" to clients or in public forums, would the Board correct the RVT?

Answer: Because the WV Board of Veterinary Medicine does not have jurisdiction over veterinary nurses, this question is beyond the scope of the WV Board of Veterinary Medicine's laws and rules.

Question: I am an x-ray tech but would like to be able to do x-rays on horses. Could you tell me what classes if any that I would need to take to be able to do this?

Answer: X-rays of an animal must be done under indirect supervision of a veterinarian and only the veterinarian can diagnose the x-rays.

Question: Is there any kind of license for penetrating and non-penetrating captive bolt method?

Answer: There isn't a license under the WV Board of Veterinary Medicine. The Board suggest contacting Roy McCallister or Vanessa Harper for more information.

Question: The Mountaineer Kennel Club would like to host a Canine Health Clinic where we would offer things like eye exams for OFA certification and heart auscultation and echoes for breeders and dog enthusiasts in the region. This would be a one time or annual event in Morgantown, WV. As there are no canine cardiologist or ophthalmologists board certified to do these exams in WV, we would like to bring in specialists from Ohio and Pittsburgh respectively. The results of these exams are sent to the OFA for certification of breeding stock and are not intended to be used to diagnose problems.

Answer: The specialist would be required to have a WV Veterinary License.

Answer: The veterinarian can only provide sedatives to animals with a VCPR.
