

BEFORE THE WEST VIRGINIA BOARD OF VETERINARY MEDICINE

**WEST VIRGINIA BOARD OF
VETERINARY MEDICINE,**

COMPLAINANT,

v.

CASE NO. BVMCE0324B

**JOHN SPIKER, DVM,
VETERINARIAN LICENSE NO. 28-2012,**

RESPONDENT.

CONSENT AGREEMENT AND ORDER

After conducting an audit of the continuing education hours reported by Respondent, John Spiker (“Respondent”), for the calendar year 2023, the West Virginia Board of Veterinary Medicine (“Board”) determined there was probable cause to believe that Respondent had violated W. Va. Code § 30-10-19(g)(3) and W. Va. Code R. § 26-1-7.5.

Now, in lieu of a hearing, the parties have reached an agreement for the resolution of this matter and hereby agree to entry of this Order based upon the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

The Board hereby adopts the following factual findings:

1. Respondent is a licensee of the Board, holding License No. 28-2012, and therefore is subject to the license requirements and disciplinary rules of the Board.
2. The Board is a state entity created and governed by W. Va. Code §§ 30-10-1 *et seq.*, and is empowered to regulate the practice of veterinary medicine in the State of West Virginia.

3. In order to carry out its regulatory duties, the Board may suspend, revoke, or otherwise discipline an individual's license to practice veterinary medicine under the authority granted to it by W. Va. Code §§ 30-10-5 and 30-10-19 and W. Va. Code R. §§ 26-1-8 and 26-2-1 to 26-2-6.

4. Licensees of the Board are required to complete at least eighteen 50-minute hours of continuing education ("CE") in the field of veterinary medicine during each calendar year. W. Va. Code R. § 26-1-7.5. Fourteen of these hours must be related to the practice of veterinary medicine, to include scientific, laboratory, regulatory, and medical recordkeeping, and no more than four hours may be related to practice management. *Id.*

5. Licensees of the Board are further required to maintain original documents verifying the date and subject matter of completed CE, the number of CE hours obtained, and certification of attendance from an approved CE provider. W. Va. Code R. § 26-1-7.5.b; *see also* W. Va. Code R. § 26-1-7.11. A list of approved CE providers is contained within the Board's legislative rules. *See* W. Va. Code R. § 26-1-7.5.2.a.

6. If a licensee fails to comply with CE requirements, the Board may initiate disciplinary proceedings against the licensee and audit the licensee again the following year. W. Va. Code R. § 26-1-7.5.2.a..

7. The Board informed Respondent that he had been selected at random for an audit of CE hours completed during the calendar year 2023. Respondent was instructed to provide the Board with certificates of attendance and a completed CE tracking form within 20 days.

8. In response, Respondent provided documentation showing that, in the calendar year 2023, he had not completed any hours of CE.

9. The number of CE hours reported by Respondent was insufficient to meet the 18 hours of WV Board approved continuing education required for the calendar year 2023.

CONCLUSIONS OF LAW

1. The Board has jurisdiction to take disciplinary action against Respondent.
2. Based upon the facts and matters set forth in the above Findings of Fact, the Board is authorized to suspend, revoke, or otherwise discipline Respondent's license pursuant to W. Va. Code §§ 30-10-5 and 30-10-19.
3. Respondent was notified of the allegations against him pursuant to the rules of the Board and the laws of this State.
4. Respondent's failure to obtain the required 18 hours of continuing education within the calendar year 2023 violates W. Va. Code § 30-10-19(g)(3) and W. Va. Code R. § 26-1-7.5. As such, Respondent is subject to disciplinary action.

5. Respondent shall submit to an audit of his CE hours completed during the calendar year 2024.

6. Any failure to comply with all provisions in this *Consent Agreement and Order* may result in additional disciplinary action, up to and including the suspension or revocation of Respondent's license to practice veterinary medicine in the State of West Virginia.

7. This document is a public record as defined in West Virginia Code § 29B-1-2. The Board is bound by law and by this Agreement to report the results of all disciplinary actions, including this matter, for posting in the AAVSB Veterinary Practitioners Disciplinary Database and for posting on the Board's website.
